
This is it.
Willowbrook Park.
The best sledding spot in Kokomo.

Don't let go of the rope, okay?
Okay...

Ready?
I guess so...

Let's do that

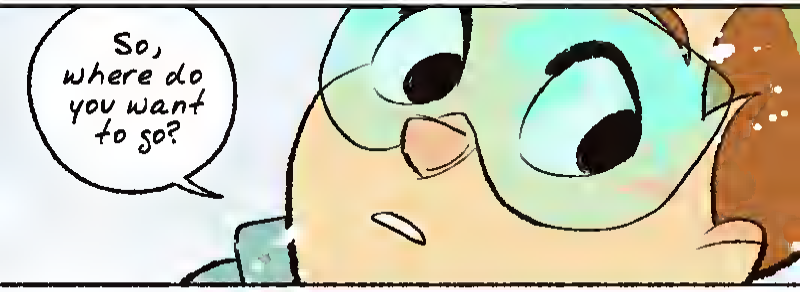
Wow...

Staring up into the falling snow...
...it feels like traveling through deep space.
The snow flakes fly by like little stars...
Hey--

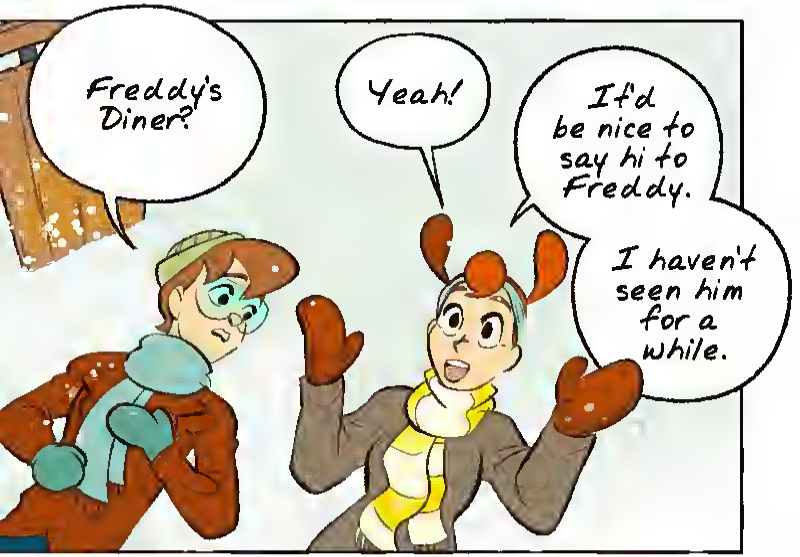
About dinner plans--
What?
For homecoming night.
Originally we planned to have dinner with David and Cassie, and then go to the dance together...
But...

Oh.

Right.



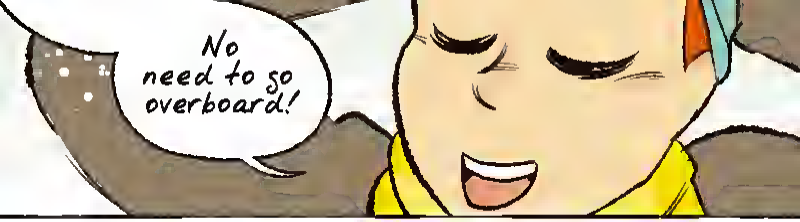
How about Freddy's?



Freddy's Diner?
Yeah!
I'd be nice to say hi to Freddy.
I haven't seen him for a while.

Ahmm...
I was thinking somewhere a bit more fancy.
Maybe one of those nice restaurants on the pier.
Wow...
I don't think we can afford that...
I know I can't.
I--

I could figure out something!
It's okay, Zeph.
Save your money.
You can use it to fix your tuba.
Right.
My tuba.
Besides, it's just a dance.



No need to go overboard!

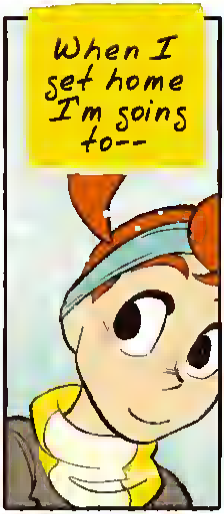
It's almost noon.
Oh!
I should get back home!
I'll walk you there...
It's okay.
I know your house is the opposite

direction.

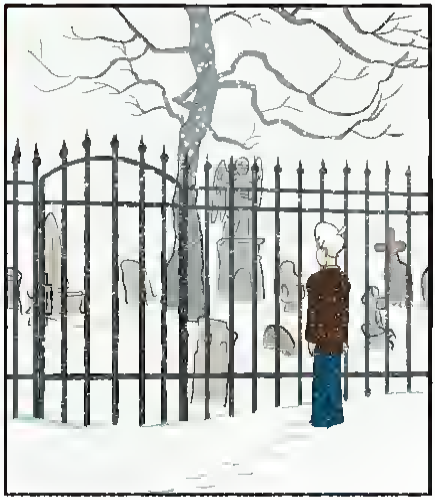
Thanks for a wonderful time, Zeph!

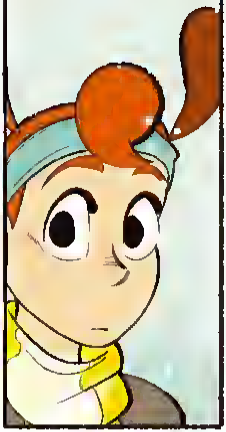
Your welcome!

There are no cars out, so I use the entire street as if it were my own personal sidewalk.
I feel like the queen of Kokomo.



When I get home I'm going to--





Oliver!
